## First Annual CMTA STAR Starry Night

STAR, the CMTA's Strategy to Accelerate Research, is making amazing progress in developing treatments for Charcot-Marie-Tooth disease (CMT), an inherited and progressive neuropathy affecting more than 2.8 million people.

Your dollars will help fund the CMTA in its endeavor to find treatments and a cure for CMT.

Please visit [www.cmtausa.org/starrynight](http://www.cmtausa.org/starrynight) or use this form to purchase tickets or make a donation in support of the CMTA's STAR initiative for advancing CMT research. Thank you.
