

CMTA's emBRACE the Future Fund Application

Purpose of the Fund

CMTA's emBRACE the Future Fund supports individuals with Charcot-Marie-Tooth disease (CMT) in obtaining a pair of either Xtern SUMMIT or Xtern FRONTIER from TurboMed Orthotics. This fund assists those facing financial challenges in covering these essential medical devices when prescribed by a healthcare provider.

Applicant Responsibility

CMTA's emBRACE the Future Fund is intended to help bridge financial gaps for applicants and their families. While applicants are encouraged to explore all available resources, this fund is here to assist with costs that remain unmet.

How It Works

Applicants must complete this application and submit it along with the required documentation. Applications will be reviewed within 14 business days of receipt, and a determination will be made based on eligibility and fund availability. This application is an interactive PDF that can be completed on a computer or mobile device.

Required Documents

Once the application is completed, return it along with the prescription or order for braces from your orthotist. The order should be for Xtern SUMMIT or Xtern FRONTIER.

Applicant Information

First Name: _____

Last Name: _____

Age: _____

Phone Number: _____

Email Address: _____

Diagnosed with CMT? Yes No

Diagnosis Location: _____

Date of Diagnosis: _____

Covered by Medical Insurance? Yes No

CMTA's **emBRACE** the Future Fund is Made Possible Through Donor Contributions

emBRACE the Future

The Charcot-Marie-Tooth Association is a 501(c)(3) nonprofit organization with a mission to support the development of new treatments for CMT, to improve the quality of life for people with CMT, and, ultimately, to find a cure. As the leading global philanthropic funder of CMT research, CMTA unites the community with clinicians and industry experts to accelerate the advancement of treatments, with investments of more than \$30 million since 2008.
